REPORT OF THE SELECTMEN

1983 was a busy, interesting, growing year for Chesterfield.

A new Ford cruiser was purchased and the 1976 Pontiac sold. West Chesterfield Fire Department took delivery on a new fire truck and sold the 1947. The transfer station, better known as the dump, is sporting a new attend nts building. A new Catepillar loader was purchased for the Highway Department, trading in the old one, and a one-ton pickup was added to the Highway equipment.

The Route 9 project is starting to take shape in many ways, in many locations. Your patience and indulgence will be needed for the major roadbed construction that will take us into late Fall of 1984.

Our insurance coverage was reviewed and increases in coverage made with reductions in costs realized. We joined Southwest Region Planning Commissions co-operative purchasing program saving in the purchase price of #2 fuel oil, diesel fuel, regular and unleaded gas.

John Leahy, the newly elected member of the Board attended Assessing School in July at Plymouth State College, Plymouth, NH.

We encourage you to read the reports of the Departments in the Town Report to see the kind of activities taking place in Town.

We would like to thank all of the Boards, Committees and Commissions for their unlimited contributions of time and effort given to our growing community.

We invite people with questions, complaints or problems to meet with us, and by all means are always open to constructive suggestions and opinions.

Keeping in mind that the townspeople are the town,

We remain,

Paul G. Boroski, Chairman
James C. Milani
John H. Leahy, Selectmen

TOWN MEETING, 1983

Proceedings of the Annual Meeting of the voters of the Town of Chesterfield, New Hampshire, called at the Town Hall in said Town on Tuesday, March 8, 1983.

Signaling the opening of the polls, the Town Hall bell was rung by selectman, James Milani.

The meeting was called to order at 10 o'clock in the forenoon by the Moderator, Carl A. Johnson, who read the warrant through Articles one and two and declared the polls open for voting by ballot for town officers and amendments to the Zoning and Building Ordinances.

At 6:30 p.m. the Town Hall bell was again rung by James Milani, and the Moderator called the meeting to order with James E. O'Neil, Sr. and Ethel Mills as Assistant Moderator and Assistant Clerk, respectively.

The Moderator declared a moment of silence in memory of two deceased residents of the town, elected-moderator, Daniel Walsh, and former town clerk, Imogene L. Chickering.

Reverend Harold Hawlk, interim pastor of the Asbury United Methodist Church, offered prayer.

The following resolution, presented by James E. O'Neil, Sr., was unanimously adopted:

> BE IT HEREBY RESOLVED that the citizens of the Town of Chesterfield, recognize with gratitude the exemplary services of IMOGENE L. CHICKERING, TOWN CLERK for the TOWN OF CHESTERFIELD, from 1926 through 1978.
>

ARTICLES 40, 41 and 42 deal with flood insurance. Roger Monsell, chairman of the study group that was formed by a directive from last year's town meeting, gave his committee's report. It was the committee's recommendation that the Town adopt Articles 40, 41 and 42 and participate in the National Flood Insurance Program.

A voice vote was in the affirmative on motion made by James Milani and seconded by James O'Neil, Sr. to adopt Articles 40, 41 and 42. These articles as adopted are as follows:

ARTICLE 40. The Town agreed to participate in the National Flood Insurance Program (NFIP) by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

ARTICLE 41. WHEREAS, certain areas of Chesterfield are subject to periodic flooding from rivers and streams, causing serious damages to properties within these areas and WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968:

WHEREAS, it is the intent of this town meeting to require the recognition and evaluation of flood hazards in all official actions relating to land use in the floodplain areas having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to New Hampshire RSA Chapter 31, 35, 156 and 156A.

NOW THEREFORE, BE IT RESOLVED, THAT THIS TOWN MEETING HEREBY:

1. Assures the NFIP that it will enact and maintain in force for those areas having flood hazards, as delineated by the Flood Hazard Boundary Map issued by the NFIP dated December 13, 1977 and any published revision to this map, adequate land use and control measures with effective enforcement provisions consistent with the criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vest the Planning Board with the responsibility, authority and means to:

   a. Assist the Administrator, at his request, in his delineation of the limits of the area having special flood hazards.

   b. Provide such information as the Administrator may request concerning present uses and occupancy of the floodplain areas.

   c. Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map, and identify floodplain areas and cooperate with neighboring municipalities with respect to management of adjoining floodplain areas in order to prevent aggravation of existing hazards.

   d. Submit, on the anniversary date of the community's initial eligibility, an annual report of the Administrator on the progress made during the past year within the town in the development and implementation of floodplain management measures.

3. Appoints the Board of Selectmen to maintain for public inspection and to furnish upon request, for the determination of applicable flood insurance risk premium rates within all areas having special flood hazards identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, any certification of floodproofing, and information on the elevation (in relation to mean sea level) of the level of the lowest habitable flood (including basement if habitable) of all new or substantially improved structures, and include whether or not such structures contain a basement, and if the structure has been floodproofed the elevation (in relation to mean sea level) to which the structure was floodproofed.

4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the program.

ARTICLE 42. To see if the town will vote to establish the following building regulations pursuant to RSA 156 as follows:

1. The Building Inspector shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (50% or more of the market value of structure including prefabricated and mobile homes) must: I) be designed (or modified) and anchored to prevent floatation, collapse, or lateral movement of the structure, II) use construction materials and utility equipment that are resistent to flood damage, and III) use construction methods and practices that will minimize flood damage.

2. The Building Inspector shall obtain, review, and reasonably utilize any base flood elevation data available from a Federal, State, or other source, until such other data has been provided by the Administrator, as criteria for requiring that: I) all new construction and substantial improvements of nonresidential structures have the lowest flood (including basement) elevated or floodproofed to or above the base flood level.

3. The Building Inspector shall require that all mobile homes to be placed within Zone A on the community's Flood Hazard Boundary Map or Flood Insurance Rate Map shall be anchored to resist floatation, collapse, or lateral movement by providing over-the-top and frame ties to ground anchors. Specific requirements shall be that: I) over-the-top ties be provided at each of the four corners of the mobile home, with two additional ties per side at intermediate locations and mobile homes less than 50 feet long requiring one additional tie per side, II) frame ties be provided at each corner of the home with five additional ties per side at intermediate points and mobile homes less than 50 feet long requiring four additional ties per side, III) all components of the anchoring system be capable of carrying a

force of 4,800 pounds, and IV) any additions to the mobile home be similarly anchored.

4. Require permits for all proposed development in any area of special flood hazard. The term "development" is defined to mean "any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations."

5. Review permits for proposed development to assure that all other necessary permits have been received from those governmental agencies such as from which approval is required by Federal or State Law.

ARTICLE 43. A voice vote was in the affirmative on motion made by Susan Newcomer and supported by James Milani to adopt the following resolution: "to urge President Reagan to employ any and all peaceful means to request and encourage the United States of America and the Union of Soviet Socialist Republics to enact an immediate and mutual freeze on the production, testing and deployment of nuclear weapons and nuclear weapons delivery systems; and subsequently for both nations to engage in a mutual reduction of such weapons and delivery systems; provided that such freeze and reduction include such safeguards as are necessary to ensure mutual and mutually verifiable compliance on the parts of both nations."

James Milani brought it to the clerk's attention that the vote on the disarmament article (Article 55) at the 1982 Town Meeting was not only in the affirmative, but was unanimous.

ARTICLE 44. A voice vote was unanimous on motion made by Robert Cannell and supported by Frank Seay to adopt the following resolution: "to see if the town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Chesterfield and to the health and welfare of the people of Chesterfield. These actions shall include:

1. Reduce by at least half the major cause of acid raid, sulfur dioxide emissions, by the year 1990.

2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal. The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States."

A voice vote was in the affirmative on motion made by Wayne Winn and seconded by Warren Allen to accept Articles 45 through 55 and to dispense with reading of the same. These articles as adopted are as follows:

ARTICLE 45. Voted to accept the sum of $1,000.00 from Norris H. Robertson, M.D., the income to be used exclusively for perpetual care of the Timothy N. Robertson Buryinggground on Poocham Road.

NOTES FROM YOUR ROAD AGENT

There were 19 driveway permits issued this year.

The new equipment purchased in 1983 for the highway department included a new 2 1/4 yard Caterpillar loader with a new 2-way plow with wing and a new 1-ton 4-wheel drive dump truck with a 2-way plow. There was no sander purchased with this unit.

The asphalt resurfacing program for 1983 was completed on three roads. They were the Old Chesterfield Road, Atherton Hill Road (from Tuttle Road junction to Hewett Road), and the Cross Road in West Chesterfield from Brook Street to connect with the new controlled access road at Davenport's.

The T.R.A. funds for 1983 were expended on Cady Lane from Route 9 to the junction of Lincoln Road. This eliminated one very bad ice problem in the winter maintenance structure. This section is ready for paving in 1984.

The 1983 Subsidy II funds were used to further the lower Gulf Road repair work thus eliminating a very bad, sharp curve and supporting, with ledge, several areas where the road shoulders had fallen into the brook.

Alvin C. Davis
Road Agent

REPORT FROM THE HEALTH DEPARTMENT

From January 1 to December 31, 1983 there were a total of 36 calls. These included septic systems, chemical spill, dog bites and outdated foods. Eleven milk permits were issued for a total of $22.00.

A total of 32 hours was spent responding to calls and 197 miles traveled.

Richard Wolf
Health Officer

AUDITOR'S REPORT

This is to certify that we have examined the records of the Selectmen, Town Clerk, Tax Collector, Trust Funds, Town Treasurer, Spofford Fire Precinct Treasurer, Chesterfield Cemetery Commission, and Chesterfield Library Treasurer. Errors and ommissions discovered in the course of the audit were adjusted to our satisfaction.

PLANNING BOARD REPORT FOR 1983

The Planning Board meets at the Town hall at 7:30 pm, on the first Monday of each month. Additional meetings, as necessary are scheduled and public notice, as required, is posted. During 1983, the Board met 17 times.

Thirteen public hearings were held for subdivisions, and one public hearing for suggestions or recommendations to improve or amend the zoning ordinances. After the public hearing and subject to some qualifications, all thirteen of the subdivision requests were granted approval.

Five requests for site plan review were considered by the Board. Approval offour of the site plans (with qualifications) were granted. Board visits to the sites involved were made in two of the requests. The fifth site plan (not yet approved) was requested to return to the Board with septic system acceptance from the State Water Pollution Control Board, and at this date has not yet returned.

The Board lost three members during the course of the year; Mayda Berg, Warren Porter, and Jim O'Neil, Jr. Their diligence and dedication during the periods they served is greatly appreciated, and we all thank them. Roger Munsell, Dave Smith and Richard Paul were appointed to replace the leaving members.

At this year's Town Meeting, several amendments to the current Zoning Ordinances will be presented for public approval. Please call me, or any of the other Board Members if you desire additional background or information on the purpose, intent, or reasoning behind any of the proposed amendments.

Lastly, the Board wishes to restate our availability and desire to receive comments and suggestions, both positive and negative, relative to the Town's Zoning Ordinances and to your concerns about the Town. Please contact any one of us.

Chairman
Chesterfield Planning Board

REPORT OF THE CHESTERFIELD POLICE DEPARTMENT

- 1983 -

1983 was a fairly smooth running, busy year. The Department worked a total of 6,732 hours and traveled 33,709 miles.

My stress related "burnout" last summer resulted in the part-time officers having to work more than usual for the time I was out; this prompted the Selectmen to hire three (3) more part-time officers, Darrell Chase, Kenneth Gunning and Anthony Lash.

I wish to thank all of my men for a job "well done" all year long, but especially during my illness.

All the men are certified as part-time officers with the exception of one, who is now in the process of being certified. All five officers are State Certified Radar Operators, the last two just finishing the sixteen hour course at the Jaffrey Police Department.

The following is a partial list of incidents for the year:

Accidents	209
Civil Complaints	134
Animal Complaints	292
Burglary	24
Theft	70
Vandalism	70
House Checks	181
Summons Issued-Court Cases	333
Total Cleared Summons	297
Total Complaints answered	4,296

There were, of course, many other routine calls and checks made under normal patrol time.

Our new Ford Cruiser is running very well - even the Buick with 96,000 miles seems to be "keeping up." Hopefully we can get through 1984 without any major problems.

Chief

CHESTERFIELD CEMETERY COMMISSION REPORT FOR 1983

Besides routine care of 23 of the Town's cemeteries, several special projects were completed this year. With the help of the Chesterfield Historical Society, signs were erected identifying most of the cemeteries. The few remaining will be placed in 1984. Work at Friedsam Cemetery included rebuilding the well, grading the turn-around, and brush cutting. Extensive stone repair was done in Spofford Cemetery. The tool shed in Spofford was sold and removed. The funds received were used to establish additional trust funds for the cemetery.

In keeping with our goal of having all cemetery work funded by trust fund income, we would again encourage anyone, especially those with ancestors in the older cemeteries, to establish a new trust fund for a family lot or even for an entire cemetery.

CHESTERFIELD LIBRARY
REPORT FOR 1983

The Library shows a marked improvement in its organization of books and in the books and materials it offers. Projects during the past year included a very extensive weeding of outdated and/or damaged books. This made possible accepting nearly 1000 of the books being given to town libraries by the State Library when they closed their regional office last August.

Again, many new books have been purchased, and many nice and useful books have been donated by patrons and by businesses, publishers, and authors. Donations have also been made in memory of library patrons and friends. All are greatly appreciated.

Library hours continue as follows:

CHESTERFIELD HOME HEALTH AGENCY, INC.
ANNUAL REPORT - 1983

The Chesterfield Home Health Agency will continue to participate with Home Health Care and Community Services until September 30, 1984 at which time a decision will need to be made concerning the continuation of the agreement. Some concerns with regards to office coverage and patient services came to light in 1983. These problems were brought to the attention of the participating organization and have been dealt with effectively.

The Annual Meeting was held in April at which time By-Laws were again revised in order to retain experienced Board members. Timothy Jordan of Spofford replaced Carol Seager as a Director. Jane Garry, Executive Director of Home Health Care and Community Services, gave a slide/talk presentation of the work of her organization.

The annual Vision and Hearing Screening for pre-school children was held in May. Forty-one children from Chesterfield and Westmoreland were tested by a team from the New Hampshire Division of Maternal and Child Health in conjunction with the Chesterfield School Nurse and the Chesterfield Home Health Agency.

We hope that our citizens are aware of the Community Coordinating Service under the direction of Karen Ericson. The function of this service is to link those who need various services with volunteers willing to provide same: i.e. transportation, shopping, home visits.

We wish to thank the voters of the Town of Chesterfield for their past assistance in funding home health care and hope that they will continue their support in 1984.

SUMMARY REPORT - 1983
HOME HEALTH CARE & COMMUNITY SERVICES

HHCCS during the past year provided the following services in Chesterfield:

Skilled Nursing Visits	217
Physical Therapy Visits	37
Home Health Aide Visits	73
Homemaker Hours of Service	526
Clinics Conducted	11
Meals-on-Wheels delivered	991

Meals-on-Wheels were delivered on Mondays, Wednesdays and Fridays, and frozen meals were available for those needing meals on the days deliveries were not made. Meal delivery also provides the opportunity for someone to check the recipients to make certain all is well with them.

The HHCCS Outreach Program, which seeks to address needs of isolated, homebound elderly and handicapped, provided services to a number of residents in Chesterfield during 1983. (There is a need for Chesterfield residents to join the Agency's Friendly Visitor Program as volunteer visitors.)

Expenses in providing services to Chesterfield came to within $100 of the Agency's budget projection for the year. Participation of Chesterfield Home Health Agency with HHCCS has had a number of positive results. Administrative costs have been greatly reduced, which means that a greater portion of Chesterfield's dollars can be used for direct care services. A wider range of services now is available: Care for the Terminally Ill Program, Social Worker services, Speech Therapy and Extended Homemaker services.

HHCCS has re-established the Chesterfield Home Health Agency office as a specific place where Chesterfield residents may meet with the nurse on an informal basis at a specified time three days a week. Recent increases in requests for nursing services indicate that 1984 will see even more home health service activity in Chesterfield.

Director of Clinical Services

STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the inhabitants of the School District of the Town of Chesterfield qualified to vote in District affairs:

You are hereby notified to meet at the Chesterfield Elementary School in said District on the 3rd day of March, 1984, at 8:00 p.m. to act upon the following articles:

ARTICLE 1. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2. To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state or private agency.

ARTICLE 3. To see if the District will vote to authorize the school board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1984-1985 school fiscal year provided that such expenditure be made for the purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board hold a public hearing prior to accepting and spending such money.

ARTICLE 4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for payment of statutory obligations of the District.

ARTICLE 5. To transact any other business which may legally come before this meeting.

Given under our hands at said Chesterfield this day of February, 1984.

SCHOOL DISTRICT MEETING
Chesterfield Central School

The Clerk, Robert Cannell, opened the polls at 10:00 a.m. for voting. The warrant for elections was read by the Clerk. The following were appointed as Ballot Clerks: Wanda McNamara, Debbie Leahy, Marilyn Taylor, Judith Johnson, Gary Winn, Michael Wiggin. They took the oath of office from the Clerk.

At 8:00 p.m. the Clerk called the meeting to order for the purpose of acting on the articles in the warrant, and read the call to voters in the warrant. The Clerk asked for a moment of silence in memory of Daniel L. Walsh, Moderator who passed away on May 2, 1982. The clerk then introduced officials of S.A.U. #29, the Chesterfield School Board, and Ms. Nancy McMahon, Acting Principal at Chesterfield.

The first order of business was to call for nomination for and election of a Moderator to preside over this meeting due to lack of an elected Moderator. Michael Bentley was nominated by Cornelia Jenness and seconded by Ronald Viarengo. Carl Johnson was nominated by Cathy Peck and seconded by William Mitchell. The Clerk asked for a show of hands as votes for each nominee. Michael Bentley got 36 votes, Carl Johnson, 4. The Clerk declared Michael Bentley the winner and turned the meeting over to Mr. Bentley as Moderator. The Moderator recognized Warren Allen, who made a motion to dispense with the reading of the entire warrant and to read each article as it was taken up. Seconded by William Mitchell. The Moderator declared the voice vote to be carried in the affirmative.

Articles in the warrant were disposed of as follows:

ARTICLE 1. Judith Johnson moved and was seconded by Joanne Morse that the District accept the reports of agents, auditors, and committees as published in the Chesterfield School District Annual Report. The Moderator declared a voice vote to be passed in the affirmative.

ARTICLE 2. Cornelia Jenness moved that the District authorize the School Board to make application for and to accept and expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes avail-

able during the 1983-1984 school fiscal year provided that such expenditure be made for the purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board hold a public hearing prior to accepting and spending such money. Voice vote declared by the Moderator to be carried in the affirmative.

ARTICLE 4. Charles Johnson moved to raise and appropriate the sum of $1,110,778 for the support of schools, for the salaries of school district officers and agents, and for payment of statutory obligations of the district. Seconded by Frank Seay. Ronald Viarengo questioned the increase in the special education budget from $64,030 to $93,454. Charles Johnson answered that the number of students being served had increased and extra staff had been added to handle the increase. The Moderator called for a voice vote which he declared to have carried in the affirmative.

ARTICLE 5. Charles Johnson offered a resolution that the Chesterfield School Board recognizes and appreciates the outstanding efforts put forth by the staff for the betterment of students and programs at Chesterfield Central School. Seconded by Carl Johnson. Moderator called for a voice vote which carried unanimously.

Charles Johnson asked the district to recognize the PTA and Parent Volunteer Program for their effort on behalf of the school and to congradulate the volunteer program for the state award they received as the outstanding program in the state.

Charles Johnson asked that the district recognize Gail Woodward for the time and effort she has given the School and students of Chesterfield.

Menton Yeaton wished to go on record commending the district for having the shortest meeting in Chesterfield history. The speed he attributed to the good work and time spent by the School Board and the Budget Committee prior to the District Meeting.

Frank Seay moved and was seconded by Warren Allen that the meeting be recessed while the ballots were counted. Motion declared caried in the affirmative by the Moderator, who also declared the polls closed at 8:15 p.m.

The official town check list was used for the elections. of 1,604 eligible voters, 113 cast ballots. All ballots were cast at the ballot box, with no absentee votes. The results are as follows:

For School Board Member for 3 years:

Mary E. Maxwell	106
Scattered votes	7

Declared elected was Mary E. Maxwell, who took the oath of office from the Clerk, Robert J. Cannell.

For Moderator for the ensuing year:

Michael P. Bentley	83
Terry L. Wiggin	29

Declared elected was Michael P. Bentley, who took the oath of office from the Clerk, Robert J. Cannell.

For Clerk for the ensuing year:

Robert J. Cannell	109
Other	1

Declared elected was Robert J. Cannell, who took the oath of office from the Moderator, Michael P. Bentley.

For Treasurer for the year beginning July 1, 1983:

Joan M. O'Neil	106

Declared elected was Joan M. O'Neil, who took the oath of office from the Clerk, Robert J. Cannell

For Auditor for 1 year:

Clifford White	12
David Smith	7
Scattered votes	25 for 15 candidates

Declared elected was Clifford White.

NOTE: Following the meeting, Clifford White was notified that he had been elected Auditor for 1 year. He declined the position, and since he was a write-in winner, was not obligated to serve. The write-in candidate with the next highest number of votes was David Smith, who accepted the position as Auditor for 1 year.

For Auditor for 2 years:

Cornelia P. "Neil" Jenness	100
Scattered votes	7

Declared elected was Neil Jenness, who took the oath of office from the Clerk, Robert J. Cannell.

All who took the oath of office also signed the prescribed oath of office.

At 8:45, the Moderator adjourned the meeting.

A true record, attest;

Robert J. Cannell
Clerk, Chesterfield School Dist.

ADMINISTRATIVE REPORT

All agree that the school has done well in Chesterfield this year. With some new staff, some fresh involvement of parents, and an improved structure and direction, we find there is good spirit for the schools in town.

When some are questioning the product of public schools, we see good local gains in student achievement. This is the second year of a joint town effort with a new math program called STAMM, with teachers and tests clearly showing increased math skills. Language arts and reading also show above average skills in comparison to national averages due to recent program improvements. Accountability testing in English, language arts, math and social studies again shows our average students at Chesterfield Central Elementary School scoring in the top quarter in comparison to others tested at their grade level.

Even with improvements we are striving to be better tomorrow. Our young people must meet the challenges of a fast-changing world. Our science and computer curriculums have to be stronger. Our staff training and expectations for teachers should be increased. Our school facilities need to be upgraded to meet the growing demands.

Recently the board and the Chesterfield Education Association signed a three-year negotiated agreement which brings our teachers up to a competitive pay level. Knowing that our schools will only be as good as those we can employ, the board has put Chesterfield in a position to recruit and retain teachers.

We are encouraged by the willingness of many to build quality education here. Experience shows areas that value their schools become quality communities in which to live and work. With cooperative efforts we are beginning to see that happen. To be successful, however, our local schools need the help and support of parents, non-parents, business leaders, and many others. We need to work together, and to be responsive to each other.

Your school board has represented you well this year. Responsiveness to others, alertness to fiscal details, and genuine concern for the students of the district are obvious characteristics of this board. It has been our pleasure to be associated with them as they represented you.

The people of Chesterfield have every reason to be proud of the directions they are setting to benefit their children. The administration salutes their efforts, and expresses its appreciation to teachers, parents, students, and board members for a good year.

PRINCIPAL'S REPORT 1982-83

On September 6, 1983, the Chesterfield Central School opened with 245 students and seven new staff members. The new staff includes Kathleen York, Resource Room teacher; Denise Ruggieri, Resource Room teacher; Richard Hanson, Guidance Counselor; Darlene Dunn, Chapter I teacher; Betsy Yacubian, Reading 6, 7, 8; Nancy McMahon, Rediness Room teacher; Lorraine Lillis, Special Needs Individual Tutor.

Due to an oversized sixth grade class and the lack of available classroom space, we found it necessary to create a combination 6th-7th grade class.

The 1983-84 school year marks completion of the adoption of the Ginn Reading Series and the Ginn Language Arts series for grades readiness through eighth. These adoptions now assure curricular continuity for all your students.

The remainder of the Chesterfield staff were trained in the use of the STAMM mathematics system during August of 1983. Additionally, they will attend monthly follow up sessions for the remainder of the 1983-84 school year. The entire school system, grades R-8, is now able to use and grow through the use of the S.T.A.M.M. system.

The special education program was reorganized to bring about a greater program continuity and ultimately improved program quality. Where formerly there were 5 full and/or parttime people staffing the resource room that number has been decreased to two full-time, certified special educators. Both of these educators are able to administer educational assessments. Therefore, it is no longer necessary for us to contract for outside services to conduct these educational assessments. The thrust of the program still continues to be the mainstreaming of students in and out of the resource room. Additionally, the Local Evaluation and Placement Team (L.E.P.T.) has been reorganized with the intent to expedite the referral process, thus preventing children from "falling between the cracks".

The guidance services were increased from 4 days to 5 days a week. The guidance person provides both individual and group counselling in addition to weekly class sessions for each grade. Through the use of D.U.S.O. and Magic Circle children are guided through activities intended to build a strong self-concept. The guidance counselor will work closely with parents and students to help assure a smooth matriculation from our 8th grade program to Keene High School's 9th grade program. This program will have a strong strand to help students explore careers in order to increase their awareness of career choices. This will culminate with Career Awareness Day to be held in April 1984.

The music program was increased from 4 days to 5 days for the 1983-84 school year. The intent was to increase the number of opportunities for all of our students to participate in band, orchestra, chorus, choir and general music appreciation classes.

I am impressed with the many people and organizations who work in our school giving literally hundreds and hundreds of hours VOLUNTARILY to help our students and staff. The Chesterfield P.T.A. was the host for this year's State Annual P.T.A. Convention. The members are to be commended for their fine job and the super hospitality they extended other P.T.A. members from throughout our state who attended the convention.

I am pleased to have been asked to serve as the principal in Chesterfield. I have found the staff, students, parents, board and central office administration to be cooperative, supportive, and, indeed, a pleasure to work with. I look forward to this continued supportive, positive relationship.

CHESTERFIELD SCHOOL LUNCH PROGRAM

The School Lunch Program had another successful year feeding on the average of 175 students. Our prices remained the same - 55¢ for students Readiness through Grade 5 and 60¢ for students Grade 6 through Grade 8. Extra milk was 15¢.

Each month a menu was sent home allowing students their choice of meals. Each Friday lunch money was collected for the following week. Money could be paid by check or cash, by the week or by the month. Free and reduced prices were available also. WKNE and WKBK radio stations announce the day's menu every morning.

Government commodities continued to be plantiful and with this bonus each year enables us to do a better job and keeps the cost of lunch down. Government commodities given us were - hamburg, chicken, chicken patties, turkey, rice, flour, oatmeal, raisins, prunes, peanut butter, canned fruits and vegetables.

We continue to try and keep your children happy with a well balanced diet.
